## PRACTICE PROMISES

Dr. Torie's Dental Shoppe promises our patients that we will provide the highest quality dentistry with compassion. We promise to respect every patient's time and will strive to see patients in a timely and prompt manner for their scheduled appointments.

We require that our patients in turn provide us with a 24-hour notice of cancellation for scheduled appointments.

If patients do not call us to cancel their appointment within a 24 hour period from the time of their scheduled appointment, or do not show for their appointment without cancelling, a fee will be applied to the patient's account. A \$35.00 fee will be applied for missed hygiene appointments, and a \$75.00 fee will be applied for missed restorative appointments.

Saturday appointments are a courtesy made available to our patients for convenience. If Saturday appointments are not cancelled 24 hours prior to the appointment, the patient will lose their privilege to schedule Saturday appointments.

I have read the Practice Promises and agree to the terms and conditions of this agreement.
